Summary

Experienced Web Developer with a demonstrated history of working in the information technology and services industry. Skilled in HTML, CSS/SASS/SCSS, and JavaScript. Strong Front-end professional graduated from Thinkful.

Education

Metropolitan State College of Denver
Bachelor's Degree

Denver, Colorado
Graduated June 2007

I attended Metro State College of Denver where I earned a BA in Behavioral Science. I later attended an immersive course at Thinkful where I obtained a certificate in front-end web development. I have completed numerous courses on different aspects of software development.

Thinkfull
Certificate

Graduated April 2017

Front-end Intensive
